Seems like they spend too much time on baby/diaper/wetting/spanking aspects in general and could spend more time on going further in depth with AP characters having a romance/sexual relationship.

I think DreamTales comics are the best in the market today not because only the art work and the accurate and beautiful drawings but also the exciting story line, the good price and creative ideas.

I'm more into AP, but genererally I like (and buy) your comics. I actually don't really care about humiliation and such, it sometimes is nice, sometimes I'm a little annoyed of it. I mostly focus on the process. Rly liked the detailed and realistic artstyle of bojays Squirt. The later comics got a little too cartoon like. Thx for reafing so far, keep it up!

I,d like to see some more adult content from time to time. still love most comics.

I'm under the belief that the DreamTales comics have played it safe, neither strafing too far to the more extremes of the genre, nor pulling it up too short. However, I also believe there is a fair bit of matieral and a big enough of a fanbase at this point to push toward more edgier things, as long as those 'things' are kept in contrast the the more 'normal' flavors and themes of the fanclub. An example that was portrayed in the last AR comic with 'unbirthing', the tone was set right and the more...graphic scenes were left to the imagination rather than simply brandied about. I guess what I'm getting at is that from my perspective, that the artists have gained my trust enough at this juncture to be a little more free to roam the depths of the genre, though the humor that has been brought to the table and the tone and depth I would argue should be kept as high as feasible per the story. Small reminders that as fun as fantasy is, we should never take it too seriously and enjoy it for the entertainment value.

a bit too female focused, i'd love to see a male centric comic

Kinda samey, the theme is often repeated, but very well done art and good stories at heart.

19,724,999	 <p>I've enjoyed comics where the process is progressive over the length of the comic and we get to see the character struggle with their new physical restrictions, and since I especially enjoy oversized clothes and their eventual loss, I'd love to see more featuring that.</p>	Saturday, Feb 4th 2:58PM

19,721,408	 <p>-> As long that there isn't a babality (turning into infant and such). I like a story on which involves humiliation (Suzy/Marilyn/Betsy), revenge (Lauren/Mandy), regret (Suzy/Marilyn/Betsy), and satisfaction (Lauren/Mandy).</p>	Saturday, Feb 4th 11:56AM

19,702,239	 <p>I have enjoyed almost all of them, but I would really enjoy some more edgy stuff as well. Harsher stories, more nudity at times, maybe not a happy ending.</p>	Saturday, Feb 4th 3:18AM
19,701,238	 <p>Honestly, I don't recall off the top of my head which comics are dreamtales. That name gives me a warm feeling which means I've done my thing to those stories a few times.</p>	Saturday, Feb 4th 2:53AM
19,700,243	 <p>i don't mind when something is "unfair" such as forced regression etc. but i am not a fan of Dark endings, Bojay caters to this just fine, and i am also a big fan of his style</p>	Saturday, Feb 4th 2:26AM

19,689,007		They're generally pretty good. Nothing over-sexualized, but focus more on the woman trying to come to terms with her reduced stature. I like the whole "you'd better do what I say--I'm the older sister/older than you!" motif, although regressing to infancy and unbirthing are really not my favorites. "Eenie Meanie Marilyn" may have been one of the best of these. "Beach Blanket Beauties" is a close second. "Big Splash" was all right, but way too open-ended.	Friday, Feb 3rd 9:32PM
19,686,555		More humiliation, and insight on being forced to live in their transformed state.	Friday, Feb 3rd 9:03PM
19,683,889		I would like more Male AR which I know others have asked for. Also, BE and TG themes seem to spill over as well. Thanks	Friday, Feb 3rd 7:41PM
19,682,993		There ok	Friday, Feb 3rd 7:26PM
19,682,880		I haven't read any, to be honest. (Poverty has kept me from buying any sort of comics in a long, long time.)	Friday, Feb 3rd 7:24PM
19,680,187		its too censored... not enough action to live anyone satisfied. The comic "Something in the Water" had a great plot, but there could have been so much done.	Friday, Feb 3rd 5:44PM
19,677,728		Boring, not enough process and they ALWAYS focus just as much if not more on AP. Why can't we have only AR? or mostly AR?	Friday, Feb 3rd 4:21PM
19,677,238		The Big Splash is probably my favorite of your comics, its not sexual at all but theres atleast nudity, and a swap. But recently all the comics have been lacking anything of the sort. And Ive also noticed the lack of sex in general. Like in the SW/GTS stuff.	Friday, Feb 3rd 4:04PM
19,672,395		Not into female AR	Friday, Feb 3rd 2:30PM
19,666,286		very good	Friday, Feb 3rd 11:28AM
19,665,966		some of them are good, but more AP please	Friday, Feb 3rd 11:22AM
19,663,727		I don't want more graphic sex, but I want more drama. I want to characters that are not one-dimensional. I want to understand what motivates them, so I can better relate to how they react to the AR. Not just "sexy cartoon woman reacts to sexual circumstances". I want to see a little more dangerous situations, and see that everything does not necessarily return to the safe status quo at the end of the story.	Friday, Feb 3rd 10:14AM
19,660,569		too expensive...they'll be a lot better if they were free	Friday, Feb 3rd 9:49AM
19,660,569		More nudity, I dont need anything crazy edgy. I just want to see more, but again, no kids.	Friday, Feb 3rd 8:34AM
		They are a good combination of edgy and nice comics. They also like to try new things and ideas	Friday, Feb 3rd 5:34AM

19,656,058			
19,655,723		I like the playfulness and humor of the comics and the storylines. I get very excited when I see a new palcomix one. I think another ar story in the suzy and frank world would be fun, similar to the size change comics maybe where both Suzy and Frank or Marilyn and Frank get younger?	Friday, Feb 3rd 5:16AM
19,653,947		DreamTales AR comics need more nudity/sexual content. I enjoy seeing them anyways because they are well drawn, but I won't buy them.	Friday, Feb 3rd 3:20AM
19,653,935		I'm open minded and would like ether of the top two anwsers.	Friday, Feb 3rd 3:18AM
19,653,493		See my previous comments. Although I'm glad if I wouldn't see recycled story plots (like siblings quarrels). A little bit more drama in the stories would be nice.	Friday, Feb 3rd 2:49AM
19,652,881		They are good comics. It's rare to find comics with this theme, and I'm thankful, even I don't buy every comic	Friday, Feb 3rd 2:14AM
19,652,560		Everybody is all happy at the ending, especially with the sister switches.	Friday, Feb 3rd 1:56AM
19,651,348		I'd like to see more AR, and more time spent on the regressions(better sequences). I'd also like to see a situation where a regressed woman gets restored to adulthood, but regressed again later.	Friday, Feb 3rd 12:28AM
19,651,324		I just wish there was more detail on the process of the change:)	Friday, Feb 3rd 12:27AM
19,651,239		I like the tone of the comics; if by "edgy" you imply sexual themes, I don't want to explore those together with AR for obvious reasons (for your safety as a producer, and mine as a person with digital files on my hard drive). Some themes of the comics do seem to repeat with a frequency that exceeds my interest level. I'm pretty bored with sister role-swap. Role-swap in general to a somewhat lesser extent. The Marylin / Lois Lane tribute comic and the Beach Blanket Beauties are my two favorite comics of yours of the recent releases. I'm unlikely to buy the newest one.	Friday, Feb 3rd 12:20AM
19,650,776		I think much more might be a little too creepy for my taste. I like the transfomations and that's mostly what interests me about AR but there is a very thin line that you have to be careful about.	Thursday, Feb 2nd 11:42PM
19,650,498		I like it grim and gritty.	Thursday, Feb 2nd 11:21PM
19,650,329		I like my AR!	Thursday, Feb 2nd 11:09PM
19,650,207		Hard to say. They fill a niche that's not covered anywhere else that I know of. As far as something more edgy, I can find porn anywhere on the internet. I'm not into violence or child abuse. I like the balance between art and story.	Thursday, Feb 2nd 11:01PM
19,649,591		The comics are great but the scenarios tend to be the same.	Thursday, Feb 2nd 10:19PM

19,649,280	 <p>need more male AR</p>	Thursday, Feb 2nd 10:14PM
19,649,162	 <p>The comics are in fair enough prices and have Quality stories only</p>	Thursday, Feb 2nd 10:09PM
19,649,021	 <p>While I understand the problem with telling adult situations with AR and AP stories I prefer a darker tone in some of my stories. Art is fantastic but the stories seem very softcore skin-a-max type cheesy bad motel porn type. That said I'll probably still buy them even if they continue to have the more humor/light tone they have.</p>	Thursday, Feb 2nd 9:59PM
19,648,949	 <p>I'll admit that there's a fair-sized chunk of the AR community that left my comfort zone behind years ago. Of course, I'm not interested in judging anyone, or anything like that, especially since exactly what my 'comfort zone' is isn't something I have a concrete definition of. But the places that the DreamTales comics stick around in is fine with me.</p>	Thursday, Feb 2nd 9:54PM
19,648,868	 <p>I think they are responsible, but a little more nudity would not hurt. Nudity is not always sexual.</p>	Thursday, Feb 2nd 9:50PM
19,647,645	 <p>I have loved almost everyone I bought, though I am a fan of humiliation in AR</p>	Thursday, Feb 2nd 8:54PM
19,647,343	 <p>I don't think that the comics necessarily 'need' to be edgier, but with such similar stories, becomes a bit rote without something to keep me interested.</p>	Thursday, Feb 2nd 8:40PM
19,647,070	 <p>Just fine although you could try not having mean stuff like the smacking children as it seems abusive.</p>	Thursday, Feb 2nd 8:29PM
19,646,690	 <p>A bit more humiliation would be nice though for the most part I'm happy. I do think that if a character regresses then by the end of the comic they should be a baby. Show the entire spectrum. Mainly I want more turnabout, the initial regressee ending up older and regressing the one who was regressing them. Major reason I suggested 'Elevation' , 'Wishes' and 'Test Run'.</p>	Thursday, Feb 2nd 8:11PM
19,646,564	 <p>Love the artwork of them all. While I do know your website is primarily AR, I come here to find AP, as I enjoy that more. If there was more of that, I'd buy more. :p</p>	Thursday, Feb 2nd 8:06PM
19,645,371	 <p>Very nice, but do not offer enough male AR and AB/DL related content.</p>	Thursday, Feb 2nd 7:19PM
19,644,297	 <p>Not a fan of female AR, but I can appreciate the skills of the artist</p>	Thursday, Feb 2nd 6:37PM
19,644,261	 <p>I am still deciding what I think of the comic section. Since the stories do not fit with my "desires" I am just waiting. I will say if there was a way to preview some of the works pre-purchase I would be swayed to say "just right". (Speaking of compilation sets, not comics per-say)</p>	Thursday, Feb 2nd 6:35PM
19,644,257	 <p>They're great, but I wish the endings, especially for the infant-ended ones, dwelled more on the infancy and spent less time building up to the reason why I'm buying the comic. A lot of the stories are so paper thin that it doesn't really matter too much if they were lost in comparison to the transformations.</p>	Thursday, Feb 2nd 6:34PM

19,643,450	<p>Could be a little more detailed in the transformation department, or even stretch out the transformation scenes longer.</p>	Thursday, Feb 2nd 5:30PM
19,643,446	<p>While I do enjoy the more passive stories, I would like to see some more variety of sexual scenarios in these stories.</p> <p>Definitely would like more better-developed girls lording superior curves over grown women who feel inadequate in comparison.</p> <p>Oh, also, forgot to mention, I would love an adaptation of "the Substitute Teacher" at some point. One of my favorites!</p> <p>All in all, you're my favorite purveyor of such tales, and I have purchased the vast majority of your works, even when the premise seems not to my taste, based on the reputation you've built in my mind. Keep up the good work.</p>	Thursday, Feb 2nd 5:31PM
19,643,422	<p>I don't mind the combo of sexuality and humiliation that often occurs. I would just like to see more diverse plots.</p>	Thursday, Feb 2nd 5:30PM
19,643,307	<p>I havent gotten a comic yet and regretted it.</p>	Thursday, Feb 2nd 5:23PM
19,643,079	<p>Needs more diapers and nudity and sexual situations, sexual talking.</p>	Thursday, Feb 2nd 5:17PM
19,641,691	<p>puerile</p>	Thursday, Feb 2nd 3:59PM
19,641,471	<p>I like the comics the way they are. Though I am open to change. =] Still looking for more male AR, but that's about it. =]</p>	Thursday, Feb 2nd 3:48PM
19,640,262	<p>not enough male ar</p>	Thursday, Feb 2nd 2:50PM
19,638,615	<p>Doesn't go far enough with regression/never does mental</p>	Thursday, Feb 2nd 1:27PM
19,638,085	<p>I'll be honest and say that I personally haven't read them, if these are the kind of comics you have to purchase. I'd rather not spend money on something that doesn't really interest me or that I find ultimately unfulfilling. Perhaps some preview pages or a free trial would be of a benefit for me.</p>	Thursday, Feb 2nd 1:00PM
19,637,623	<p>Too much focus on female AR, would prefer a more even handed approach</p>	Thursday, Feb 2nd 12:42PM
19,637,520	<p>I think they are excellent, but for personally, I'd love to see more AR, and especially AR involving back to babyhood and diapers. Diapers are a big draw card for me.</p>	Thursday, Feb 2nd 12:37PM
19,637,453	<p>There's nothing wrong with the comics but they tend to have a similar story at times.</p>	Thursday, Feb 2nd 12:33PM
19,637,368	<p>Hard to say, I can never afford to get one and my debit card isn't accepted by US sellers.</p>	Thursday, Feb 2nd 12:30PM
	<p>They hit the mark at being fun without being obnoxious.</p>	Thursday, Feb 2nd

19,637,265	they are the main at being fun instead being educational.	12:24PM
19,635,873	Comics like Beach Blanket Beauties, Crybaby Marylin and The Big Splash are great. They leave you wanting more, good story and great art. They're just right, not all of them but the majority of them are well done.	Thursday, Feb 2nd 11:37AM
19,635,657	its iffy its good but would like to see a bit more baby ar	Thursday, Feb 2nd 11:29AM
19,635,341	Too adult	Thursday, Feb 2nd 11:19AM
19,633,974	Don't mind the happy endings, but as I said would prefer more taunting before the resolution :>	Thursday, Feb 2nd 10:30AM
19,633,889	Awesome, but I love more detailed transformations, like in Squirt, you don't see that around anywhere, and I like DreamTales because its a place you can find comics that you can't find ANYWHERE else!	Thursday, Feb 2nd 10:25AM
19,631,765	I feel that the stories are too much of the same. There are really only 2 plots. Two sisters switch ages, one of them goes after the other's boyfriend while the other is embarrassed her little sister is more physically mature. Two female friends. One regressed the other to get a man.	Thursday, Feb 2nd 8:54AM
19,631,026	I buy anything you have done. But i honestly love this type of stuff. I would like to see some cruel stuff. Maybe even some twists where the regressor gets regressed by accident or by a new character/	Thursday, Feb 2nd 8:50AM
19,630,505	Too much of the same every single time.	Thursday, Feb 2nd 8:22AM
19,629,984	I think Dreamtales comes up with great ideas. Just needs to be mixed up with different storylines and characters.	Thursday, Feb 2nd 7:57AM
19,629,984	actually i'd like more nudity	Thursday, Feb 2nd 7:30AM
19,629,717	Though I'm interested in more unbirthing the ultimate in AR.	Thursday, Feb 2nd 7:16AM
19,629,250	Diaper pooping and/or peeing would help with humiliation.	Thursday, Feb 2nd 6:52AM
19,628,341	I'd like to see more sensuality/sexuality incorporated into the AR comics, something along the lines of what appears in your SW comics. I appreciate that isn't practical once the character regresses beyond a particular age, but it would be fun to see it worked in as the character progresses to a younger age. (And with AP I would think it wouldn't raise any hackles, as the character enters into a sexually mature age, but I might be wrong about that.) "Eenie Meanie Marilyn" comes the closest to what I'm thinking of.	Thursday, Feb 2nd 5:57AM
19,628,055	I think they're great! I just would like to see an adults reaction to the dirty diaper. I love the breast feeding seems as well.	Thursday, Feb 2nd 5:38AM
	I feel like the comics differ greatly in art between each autor, which is normal, but almost never in script, which is

boring.

It would be more interesting to read them not knowing what would happen.
