19,794,587 I would really like more age swaps and transfers. I enjoy the concept of bodyswaps between similar characters where the main difference is authority or age as well, such as between a mother/daughter or older/younger sisters. Today, 2:03PM

19,785,459 I would like to focus on two points if they appeared in the AR comics they will achieve best sales and all the readers will be excited and happy. first, is the focus on the humiliation scenes and scenarios. Spanking before AR then role reversal and spanking scenes again is really important to spice up the story and humiliation scenarios in conversations and comparing heights and even be submissive or inferior will add much value to the comic. Second, is the character itself. the higher authority the character (teacher, mother, father, bully student) has before age regression the more humiliation it gets when it regress to inferior small figure being dominated by other characters. NOTE: Please make the regression on phases to increase the duration of humiliation i.e. from a teacher dominating high school girls to a girl dominated by them but still bigger than elementary class girls then regress again to one of them then to smaller than them and in each phase more spanking and humiliation is added. 19,778,160 Too often, as a character regresses, they begin to think and act more childlike. I vastly prefer stories where the character retains a fully adult mind, simply trapped in a younger form. Today, 3:08AM

19,758,888 i love seeing a little bra stuffing and high heels, maybe some transformation like a bimbo's boobs being reduction, love slow shrinking women. Yesterday, 4:14AM

Humor. Plain and simple. The stories have been great so far! (And hasn't degraded to the level of Porn-stories, where any excuse is good enough). You've touched mostly on the magical/mythical transformations recently, seeing more of the technology/mad science side of the house would be a nice change. Also as has been mentioned elsewhere. that the age swap between sisters has been the workhorse so far. How about switching up

19,756,261	 <p>between lovers, siblings (of both sexes), parents and friends/co-workers. You could use just about any combination with the excuse that jealousy happens to everyone. Thought I'm not a huge fan of the humiliation aspect of things, parts and pieces of that should be thrown in as well; such as a parent being man-handled by thier 'younger' child, or submitting to an less authoritative co-worker, etc. There's both lots of fan-service that you can play to, having space enough to pad on while still gifting the community with great stories!</p>	Yesterday, 2:46AM
19,754,993	 <p>focus on pullups instead of just diapers</p>	Yesterday, 1:44AM
19,750,317	 <p>Since you asked, my favorite is female AR of a woman in her late forties to the twenty something she wanted, but she keeps going to her distress to twelve or thirteen. I also like female AP from say eighteen to her late twenties only drop back to seventeen and then repeat until she a pre-pubescent.</p>	Saturday, Feb 4th 10:39PM
19,733,984	 <p>Clothing loosening Detailed physical change Subtle change like hairdo becoming more juvenile</p>	Saturday, Feb 4th 8:22PM
19,729,838	 <p>Spanking and Diapering</p>	Saturday, Feb 4th 7:19PM
19,729,417	 <p>More of a focus on the babying, maybe some mental regressive elements too.</p>	Saturday, Feb 4th 7:10PM
19,727,424	 <p>More comics focused on diapers (wearing/usage)</p>	Saturday, Feb 4th 5:16PM
19,725,173	 <p>Unbirth and body/mental regression.</p>	Saturday, Feb 4th 3:07PM
19,724,999	 <p>As ive said before My main thing is oversized clothes (whether it be Male or Female characters) as the result of progressive AR and Shrinking</p>	Saturday, Feb 4th 2:58PM
19,724,245	 <p>males lose superiority females gain dominance</p>	Saturday, Feb 4th 2:17PM
19,724,091	 <p>breastfeeding</p>	Saturday, Feb 4th 2:08PM
19,721,408	 <p>-&gt; Somehow do a collaboration story between Lauren &amp; Mandy, each taking their AP differently. And hopefully Palcomix would the definite artist for these stories.</p>	Saturday, Feb 4th 11:56AM
19,717,637	 <p>Mental Ar, and full diapers</p>	Saturday, Feb 4th 9:43AM
19,716,769	 <p>tg and Lactation be too :)</p>	Saturday, Feb 4th 9:23AM
19,716,684	 <p>more super heroines.</p>	Saturday, Feb 4th 9:21AM
	 <p>Combinations with other transformations.</p>	Saturday, Feb 4th 4:22AM

19,705,230			
19,702,457		in general, more male AR, diapering, sexual gratification (nothing too extreme, of course), and experience in a second childhood	Saturday, Feb 4th 3:24AM
19,702,239		I'd enjoy more detailed nudity because if it's male AR I enjoy the fantasy of picturing myself as the victim, and I enjoy humiliation. I feel as a guy having your manhood reduced is the ultimate show of what you've lost and how helpless you are. Same goes for female AR, but in that case it's fun to fantasize about taking the power/sexuality from your victim. I know some people don't like that stuff, but it's all fantasy and so I do not have a problem with it. In general I enjoy humileation in these kinds of stories, both female and male.	Saturday, Feb 4th 3:18AM
19,701,238		Begging and pleading to be returned with crying involved. Signs of their former adulthood being included.	Saturday, Feb 4th 2:53AM
19,699,011		Non-Caucasian AR victims.	Saturday, Feb 4th 1:53AM
19,698,819		Lots & Lots More TG. Male into female (Not the other way around! Screw the other way around!)	Saturday, Feb 4th 1:47AM
19,696,982		diapers	Saturday, Feb 4th 1:01AM
19,695,153		More giantess giving her more power, maybe a little muscle growth as well.	Saturday, Feb 4th 12:09AM
19,692,128		humiliation for the regressed character. Also, I like rivalry and when the underdog achieves clear superiority.	Friday, Feb 3rd 10:42PM
19,690,605		AP, I particularly like it when family roles are changed (sister becomes mother or mother becomes daughter, etc..)	Friday, Feb 3rd 10:11PM
19,689,007		More concrete endings. That's really what I want. Will the characters be trapped in their current forms? Do they manage to become their original age? Personally, I like when a character gets to return to her own age. Otherwise it just seems depressing.	Friday, Feb 3rd 9:32PM
19,686,565		i enjoy ar, but perhaps some tg, and animal tf's would be cool in addition to the ar.	Friday, Feb 3rd 9:03PM
19,683,889		I mentioned in the story section. BE and TG themes are not necessary but would be nice. Male AR. Humiliation. POV comics would be fun too. Thanks	Friday, Feb 3rd 7:41PM
19,682,993		Maybe a whole series that have different issues released monthly or whatever	Friday, Feb 3rd 7:26PM
19,682,880		Good writing, plot, correct spelling and such, a believable range of emotion and reactions, not a lot of gratuitous humiliation and even less gratuitous spankings. Probably more, but I am burned out from the work week.	Friday, Feb 3rd 7:24PM

I like the age/attribute swap comics but sometimes i want it to play out in school like if we say the busty and sexy

19,681,292	 <p>head of the cheerleading squad bully a smaller nerdy girl which is underdeveloped for her age and then through som device/magic/book/wish they swap attributes with eachother , it is sorta more like attribute swap but could also be age swap , i story like that i would gladly pay a good amount of my money :D</p>	Friday, Feb 3rd 6:36PM
19,680,187	 <p>More male regression</p>	Friday, Feb 3rd 5:44PM
19,677,728	 <p>More AR</p>	Friday, Feb 3rd 4:21PM
19,677,238	 <p>I think a good comic would be a woman regressing a man to puberty, maybe a boss of some sort, and taking advantage of him.</p>	Friday, Feb 3rd 4:04PM
19,665,127	 <p>slower progress or regress</p>	Friday, Feb 3rd 10:56AM
19,660,869	 <p>Possibly mix in some shrinking and giantess like in that one story with the lake. TG can work as well!</p>	Friday, Feb 3rd 8:42AM
19,660,569	 <p>More shrinking.</p>	Friday, Feb 3rd 8:34AM
19,658,355	 <p>Person wanting to be regressed and enjoying it like in Eenie Meanie Marilyn. Would have enjoyed her not becoming so young and not losing her adult mind.</p>	Friday, Feb 3rd 7:22AM
19,657,740	 <p>I am big on situational AR. The most congested of areas, the better. One thing that I felt has lacked is darker tones. I don't believe that all stories should be dark but I believe there is a place for them. Authors that I feel that have that dark tone is Tainted Sins. I would like to see maybe his buffy AR story turned into an AR 3 or 4 part story. Id pay for anthologies or maybe "Graphic novels" at graphic novel price.</p>	Friday, Feb 3rd 6:56AM
19,655,723	 <p>Authority figure getting AR to were they are rendered helpless to the care of someone.</p>	Friday, Feb 3rd 5:34AM
19,655,723	 <p>more male changes, ar/size, etc.</p>	Friday, Feb 3rd 5:16AM
19,655,059	 <p>oversize clothes. Regressed person trying their best to hang on to their modest, but in the end they go nude until they find some clothes their own size. Must be tastefully done so no one whines about it.</p>	Friday, Feb 3rd 4:31AM
19,654,559	 <p>attribute theft! its a seriously under cut process that no one ever seems to see, and no one really thinks about. An attribute theft comic would have, BE, AR, AP, BR, ect. with every BE theres a BR; Basically, you get another process.</p>	Friday, Feb 3rd 3:58AM
19,653,947	 <p>Mental transformation and unbirth is nice, but I'm pretty open to anything.</p>	Friday, Feb 3rd 3:20AM
19,653,642	 <p>Ar'ed individuals interacting with real people of their new age. Whether that means as mentally AR'ed equals or repulsed by it but kids refusing to accept AR'ed adults as 'adults' any longer (or adults unable to accept an AR'ed person as anything but the age they appear to be). If mentally regressed I like seeing some peripheral characters who know the person has been AR'ed... otherwise it's just teens together or kids together.</p>	Friday, Feb 3rd 2:57AM
	 <p>Less humiliation. More open-ended endings. Characters that recognize the true age of the affected individuals.</p>	Friday, Feb 3rd

19,653,343	More interplay and commentary on the culture of age.	2:40AM
19,653,329	More straight age changes and less age swaps.	Friday, Feb 3rd 2:40AM
19,652,881	Some breast expansion should be nice	Friday, Feb 3rd 2:14AM
19,652,823	Shrinking women, of course. :P	Friday, Feb 3rd 2:09AM
19,652,560	More humiliation, some weight gain, or geek change, or the subject finding some Spells R us type of humiliation	Friday, Feb 3rd 1:56AM
19,652,352	AR virus and stories on a global scale, along with stories set in a high school.	Friday, Feb 3rd 1:45AM
19,652,269	Side by side comparisons of age progression stages would be nice.	Friday, Feb 3rd 1:38AM
19,651,348	I'd like to see more AR sequences in your comics. A compilation of various artists in the same book would be cool. You could have Bojay do a sequence for a female character AR, and every other artist/group could re envision it in their own way.	Friday, Feb 3rd 12:28AM
19,651,324	API!)	Friday, Feb 3rd 12:27AM
19,651,239	I think I've touched on a bunch of stuff in previous answers. Story telling with Age Regression "Fanservice" ( <a href="http://tvtropes.org/pmwiki/pmwiki.php/Main/Fanservice">http://tvtropes.org/pmwiki/pmwiki.php/Main/Fanservice</a> ), lots of it, but at least an attempt at a storyline that goes beyond exploring the nuances and consequences of the regression itself.	Friday, Feb 3rd 12:20AM
19,651,075	Mental AR. (don't need physical AR to go with that, can be a solo thing).	Friday, Feb 3rd 12:08AM
19,651,016	I'm always a fan of personality shifts... mental age regression is an easy one, but too common. It would be interesting to see some sort of comic where an elderly lady regresses to a younger bimbo type. At first she could remain poised, ready and excited to relive life again with all of her experience, before turning into a boy-crazy bimbo.	Friday, Feb 3rd 12:04AM
19,650,776	Like I said, some newer plots and perhaps some new characters couldn't hurt. I'd love to see what you would do with a mother daughter age swap, I think that be pretty good.	Thursday, Feb 2nd 11:42PM
19,650,773	Same answer from Question 4	Thursday, Feb 2nd 11:42PM
19,650,498	Slow regression and perhaps certain parts regressing faster than others.	Thursday, Feb 2nd 11:21PM
	Just want to reiterate my enjoyment of female AR (adult to teen). Cheerleader theme would be great (teacher to cheerleader, businesswoman to cheerleader, etc.) Could be a role swap with mom/daughter.	Thursday, Feb 2nd 11:09PM

19,650,329

I'm a pretty big fan of power loss – superheroes with babyfied powers, fantasy adventurers who have problems holding their swords after being kiddified, that kind of thing...

Thursday, Feb 2nd 11:08PM

19,650,300

I was hoping to get a chance to say what I didn't like. The last comic that I purchased was "The Big Splash". I didn't care for the quality of the artwork or the story. I'm more into age regression and most of it was growing and shrinking...my only complaint. The other's that I've purchased have been great. Like to see more age swapping and role reversal. Looking forward to your next comic.

Thursday, Feb 2nd 11:01PM

19,650,207

the hourglass story might be cool (still on 2bya)

Thursday, Feb 2nd 10:54PM

19,650,100

Very detailed process. Humiliation. Multiple AR victims. Not shying away from tasteful nudity or sex(Squirt is a prime example. Definitely the best recent AR work)

Thursday, Feb 2nd 10:38PM

19,649,795

more male AR based comics with full physical transformations scenes and large big clothes

Thursday, Feb 2nd 10:14PM

19,649,280

Old AR (Old woman to young woman)

Thursday, Feb 2nd 10:09PM

19,649,162

loose clothes, nudity

Thursday, Feb 2nd 10:01PM

19,649,043

Proportion swap as they age, maybe they're doing it to get bigger breasts, or as they regress not all of them grows back right. Just something to switch it up.

Thursday, Feb 2nd 9:59PM

19,649,021

Loose (or ripped) clothing, and the embarrassment that usually accompanies it, are pretty much my favorite element. As long as it's around, I'm pretty easy to please.

Thursday, Feb 2nd 9:54PM

19,648,949

I love stories of justice being visited on the bad guy/girl. A great example would be how the antagonist in "The Device" by louder turns the main character into a old woman, and is punished by being turned into a baby.

Thursday, Feb 2nd 9:50PM

19,648,868

Unbirthing, breast feeding, diapering and what the regressed person is thinking.

Thursday, Feb 2nd 9:44PM

19,648,764

Tweaky Tuesday will give more variety without really any true AR

Thursday, Feb 2nd 8:54PM

19,647,645

I'd like to see more Age Progression from Teenager to 21-35. Females, please.

Thursday, Feb 2nd 8:52PM

19,647,602

A boyfriend being mentally regressed to a baby by an ex-girlfriend. With the boyfriend's new girlfriend catching the old girlfriend taking care of him. Then the new girlfriend is mentally regressed to a baby as well. Diapers worn and Bottle feedings a plus.

Thursday, Feb 2nd 8:39PM

19,647,310

Diapers to be used people to be shrunk to interact with and more.

Thursday, Feb 2nd 8:27PM

19,647,283			
19,646,690		Spanking, diapering, mental AR from an abilities and emotional standpoint, futile temper tantrums, people who 'deserve' to get ARed.	Thursday, Feb 2nd 8:11PM
19,646,564		More AP (with some IB) included as well. :p	Thursday, Feb 2nd 8:06PM
19,646,373		More AP.	Thursday, Feb 2nd 7:56PM
19,646,290		shrinking stories	Thursday, Feb 2nd 7:52PM
19,645,371		More male AR, diapers, humiliation, regression to babyhood, slow and detailed regression sequences.	Thursday, Feb 2nd 7:19PM
19,644,297		Clothes getting too big, hints of nudity, facial expressions	Thursday, Feb 2nd 6:37PM
19,644,261		I posted my two cents in the replies area, "Anthony" and the second one down.	Thursday, Feb 2nd 6:35PM
19,644,257		I'd like to see more graphic diaper changes (in terms of humiliation), breastfeedings, changing table kind of stuff. Those were BY FAR the most interesting scenes of your comics!	Thursday, Feb 2nd 6:34PM
19,644,250		A story involving a teen girl and her parents being turned into babies by mean high school girls, with lots of babying, diapering and teasing.	Thursday, Feb 2nd 6:22PM
19,643,450		to see the female that regresses not act like or even remember their adult self. Becoming a total child, until they revert back to their old self.	Thursday, Feb 2nd 5:30PM
19,643,446		I would like to see more in the way of shrinking stories over just AR, but not to excess. A woman shrunk to 3' to 4'8 or so, who aren't so much younger, but appear so, and are likely treated as such, perhaps even mentally regressing in the process.	Thursday, Feb 2nd 5:31PM
19,643,307		New characters and some new stories...nothing really sticks out	Thursday, Feb 2nd 5:23PM
19,643,079		More diapers, older kids forced into diapers.	Thursday, Feb 2nd 5:17PM
19,641,691		more drawn-out focus on the process itself and what changes are occurring	Thursday, Feb 2nd 3:59PM
19,641,471		More male AR. =] That's about it.	Thursday, Feb 2nd 3:48PM
19,640,305		Cloth diapers and plastic pants	Thursday, Feb 2nd 2:52PM

 mental ar
